About Me

A seasoned software undergrad with a passion for crafting innovative solutions and overcoming complex challenges. In the realm of web development, I've honed my skills with technologies such as HTML, CSS, and JavaScript, contributing to the creation of user-friendly and responsive web applications. I excel in various programming languages, including Java, Python, and C++, etc. My foundation in computer science runs deep, and I bring a wealth of experience in software development to the table

Education Background

- **Sunshine Chennai Senior Secondary School**
Maths, Computer Science
Graduated in 2022
- **VIT Chennai**
B.Tech CSE specialization in
AI&ML
2022-2026

Achievements

- 2019 **TECHNO-SCIENCE PROJECT EXPO**
Created a hand gesture controlled robot along with my team and bagged the 2nd position, under the category of AI & Robotics. Awarded with ₹2000.
- 2020 **DESIGN CHAMPIONSHIP 2020**
Won the Regional Round (Chennai) and the runner-up position in Nationals along with my team, under the Senior Game Design category in the India's biggest High School Game Jam. Was Awarded with a cash prize of ₹30,000.
